The EU type-examination certificate applies only to the examined type, described and depicted PPE that is representative of the foreseen production (production type) or to the first change in materials manufacturing, construction, technological and other processes that may affect the quality of the product. This document and its annexes affirm the conformity of products with applicable essential health and safety requirements under REGULATION (EU) 2016/425 OF THE EUROPEAN PARLIAMENT AND COUNCIL 9 March 2016 on personal protective equipment and repealing Council Directive 89/686/EEC and the requirements of the applied harmonized standard. The responsibility for the conformity of the product with the above mentioned type is on the PPE manufacturer.

The EU type-examination certificate shall be presented only in its entirety. The EU type-examination certificate remains the property of Euroinspekt Eurotextil d.o.o. and at whose request it must be returned.
