CIOP  **PIB**

AC 018

Parameters / Classification / Characteristics:

- AC proof voltage test:
2,5 kV - class 00 - ELSEC 2,5
5,0 kV - class 0 - ELSEC 5
10,0 kV - class 1 - ELSEC 10
20,0 kV - class 2 - ELSEC 20
30,0 kV - class 3 - ELSEC 30
- AC withstand voltage test:
5,0 kV - class 00 - ELSEC 2,5
10,0 kV - class 0 - ELSEC 5
20,0 kV - class 1 - ELSEC 10
30,0 kV - class 2 - ELSEC 20
40,0 kV - class 3 - ELSEC 30
- acid, oil, ozone resistance (category R)
- extremely low temperature resistance (category C)

Marking:

manufacturer name and address; glove identification type; class: 00 or class 0 or 1 or 2 or 3 (in dependence of glove type); category RC; standard: EN 60903:2003+AC2:2005; symbol of a double triangle indicating "appropriate for live working"; pictogram with the note: "arc tested"; size designation; date of manufacture (month and year); rectangle permitting the marking of the date of the current inspection or date of next required inspection and test; batch number; the identification number of each glove on the inside of the product

TERMS OF CERTIFICATE VALIDITY:

1. This certificate has been issued on the basis of an assessment of the submitted products and their accompanying documentation. The manufacturer bears full responsibility for ensuring that all products from current production comply with the essential requirements of the Regulation.
2. This certificate invalidates the previous one listed in the 'Identification of documents' table, provided that both certificates cover the same validity period.
3. The detailed characteristics of the products are specified in the manufacturer's technical documentation, accepted by the notified body during the EU type examination process, in Polish version. The notified body bears no responsibility for the conformity of documentation in other language versions.
4. The manufacturer is obliged to inform the notified body of any changes to the products covered by this certificate or to the related technical documentation.
5. The validity and status of this certificate may be verified at www.ciop.pl or by contacting: ocw@ciop.pl
6. This certificate is the property of CIOP-PIB and has been issued in two copies: one retained by CIOP-PIB and one provided to the manufacturer.
7. Any forgery, alteration, or modification of the content or markings of this certificate (including photocopies or scans), or the use of such a document as authentic, constitutes a criminal offence under Article 270 § 1 of the Criminal Code.
