

DATA SHEET

WIND BLUE 3

High-end lifeline harness. It has the following rings:

- Blue aluminum back and end ring for better distinction.
- Aluminum center ring for seat.
- 2 aluminum side rings for positioning.

Manufactured on the Irupad belt with Hotech breathable fiber®. Its specifically profiled design makes comfort and breathability unmatched. It has adjustable ribbons on shoulders, back and legs (height and width). K-Easy automatic quick-closing buckles on shoulders. 2 rings and tool holder.
